SBA Offers Disaster Assistance to Businesses and Residents of Tennessee Affected by Recent Severe Storms, Straight-Line Winds and Tornadoes

WASHINGTON – Low-interest disaster loans from the [U.S. Small Business Administration](#) (SBA) are available to businesses and residents in **Tennessee** following the announcement of a Presidential disaster declaration due to damages from severe storms, straight-line winds and tornadoes from March 31 through April 1.

“SBA’s mission-driven team stands ready to help **Tennessee** small businesses and residents impacted by this disaster in every way possible under President Biden’s disaster declaration for certain affected areas,” said [SBA Administrator Isabella Casillas Guzman](#). “We’re committed to providing federal disaster loans swiftly and efficiently, with a customer-centric approach to help businesses and communities recover and rebuild.”

The disaster declaration covers Cannon, Hardeman, Hardin, Haywood, Lewis, Macon, McNairy, Rutherford, Tipton and Wayne counties in **Tennessee**, which are eligible for both Physical and Economic Injury Disaster Loans from the SBA. Small businesses and most private nonprofit organizations in the following adjacent counties are eligible to apply only for SBA Economic Injury Disaster Loans (EIDLs): Bedford, Chester, Clay, Coffee, Crockett, Davidson, Decatur, DeKalb, Fayette, Henderson, Hickman, Jackson, Lauderdale, Lawrence, Madison, Marshall, Maury, Perry, Shelby, Smith, Sumner, Trousdale, Warren, Williamson and Wilson in **Tennessee**; Lauderdale, in **Alabama**; Crittenden and Mississippi in **Arkansas**; Allen and Monroe in **Kentucky**; and Alcorn, Benton, Tippah and Tishomingo in **Mississippi**.

Disaster survivors should not wait to settle with their insurance company before applying for a disaster loan. If a survivor does not know how much of their loss will be covered by insurance or other sources, SBA can make a low-interest disaster loan for the total loss up to its loan limits, provided the borrower agrees to use insurance proceeds to reduce or repay the loan.

A Business Recovery Center (BRC) will open at 1 p.m. on Tuesday, April 11, at Dyersburg State Community College in Covington. SBA Customer Service Representatives at the Center will assist business owners and residents in filling out a disaster loan application, accept documents for existing applications, and provide updates on an application’s status. The center will operate as indicated below until further notice:

Due to the ongoing COVID-19 pandemic, the SBA has established protocols to help protect the health and safety of the public. All visitors to the BRCs are encouraged to wear a face mask.

Businesses and private nonprofit organizations of any size may borrow up to \$2 million to repair or replace disaster-damaged or destroyed real estate, machinery and equipment, inventory, and other business assets.

For small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private nonprofit organizations, the SBA offers [Economic Injury Disaster Loans \(EIDLs\)](#) to help meet working capital needs caused by the disaster. Economic Injury Disaster Loan assistance is available regardless of whether the business suffered any physical property damage.

Disaster loans up to \$200,000 are available to homeowners to repair or replace disaster-damaged or destroyed real estate. Homeowners and renters are eligible for up to \$40,000 to repair or replace disaster-damaged or destroyed personal property.

Interest rates are as low as **4** percent for businesses, **2.375** percent for nonprofit organizations, and **2.375** percent for homeowners and renters, with terms up to 30 years. Loan amounts and terms are set by the SBA and are based on each applicant's financial condition.

Building back smarter and stronger can be an effective recovery tool for future disasters. Applicants may be eligible for a loan amount increase of up to 20 percent of their physical damages, as verified by the SBA, for mitigation purposes. Eligible mitigation improvements may include a safe room or storm shelter, sump pump, elevation, retaining walls, and landscaping to help protect property and occupants from future damage caused by a similar disaster.

“The opportunity to include measures to help prevent future damage from occurring is a significant benefit of SBA’s disaster loan program,” said SBA Associate Administrator Francisco Sanchez, Jr. “I encourage everyone to consult their contractors and emergency management mitigation specialists for ideas and apply for an SBA disaster loan increase for funding.”

Applicants may apply online using the Electronic Loan Application (ELA) via SBA’s secure website at <https://disasterloanassistance.sba.gov/ela/s/> and should apply under SBA declaration # **17866**.

To be considered for all forms of disaster assistance, applicants should register online at DisasterAssistance.gov or download the FEMA mobile app. If online or mobile access is unavailable, applicants should call the FEMA toll-free helpline at 800-621-3362. Those who use 711-Relay or Video Relay Services should call 800-621-3362.

Disaster loan information and application forms can also be obtained by calling the SBA's Customer Service Center at 800-659-2955 (if you are deaf, hard of hearing, or have a speech disability, please dial 7-1-1 to access telecommunications relay services) or sending an email to DisasterCustomerService@sba.gov. Loan applications can also be downloaded from sba.gov/disaster. Completed applications should be mailed to: U.S. Small Business Administration, Processing and Disbursement Center, 14925 Kingsport Road, Fort Worth, TX 76155.

The filing deadline to return applications for physical property damage is **June 6, 2023**. The deadline to return economic injury applications is **Jan. 8, 2024**.

About the U.S. Small Business Administration

Recently, U.S. SBA Administrator Isabella Casillas Guzman [announced a policy change](#) granting 12 months of no payments and 0 percent interest. This policy change will benefit disaster survivors and help them to decrease the overall cost of recovery by reducing the amount of accrued interest they must repay. Details are available through the SBA Disaster Assistance Customer Service Center at 800-659-2955. Individuals with verbal or hearing impairments may dial 7-1-1 to access telecommunications relay services from 8 a.m. to 8 p.m. ET, Monday to Friday, or email: DisasterCustomerService@sba.gov.

The U.S. Small Business Administration helps power the American dream of business ownership. As the only go-to resource and voice for small businesses backed by the strength of the federal government, the SBA empowers entrepreneurs and small business owners with the resources and support they need to start, grow or expand their businesses, or recover from a declared disaster. It delivers services through an extensive network of SBA field offices and partnerships with public and private organizations. To learn more, visit www.sba.gov.

If you are located in a declared disaster area, you may be eligible for financial assistance from the U. S. Small Business Administration (SBA).

What Types of Disaster Loans are Available?

- **Business Physical Disaster Loans** – Loans to businesses to repair or replace disaster-damaged property owned by the business, including real estate, inventories, supplies, machinery and equipment. Businesses of any size are eligible. Private, non-profit organizations such as charities, churches, private universities, etc., are also eligible.
- **Economic Injury Disaster Loans (EIDL)** – Working capital loans to help small businesses, small agricultural cooperatives, small businesses engaged in aquaculture, and most private, non-profit organizations of all sizes meet their ordinary and necessary financial obligations that cannot be met as a direct result of the disaster. These loans are intended to assist through the disaster recovery period.
- **Home Disaster Loans** – Loans to homeowners or renters to repair or replace disaster-damaged real estate and personal property, including automobiles.

What are the Credit Requirements?

- **Credit History** – Applicants must have a credit history acceptable to SBA.
- **Repayment** – Applicants must show the ability to repay all loans.
- **Collateral** – Collateral is required for physical loss loans over \$25,000 and all EIDL loans over \$25,000. SBA takes real estate as collateral when it is available. SBA will not decline a loan for lack of collateral, but requires you to pledge what is available.

What are the Interest Rates?

By law, the interest rates depend on whether each applicant has Credit Available Elsewhere. An applicant does not have Credit Available Elsewhere when SBA determines the applicant does not have sufficient funds or other resources, or the ability to borrow from non-government sources, to provide for its own disaster recovery. An applicant, which SBA determines to have the ability to provide for his or her own recovery is deemed to have Credit Available Elsewhere. Interest rates are fixed for the term of the loan. The interest rates applicable for this disaster are:

Loan Types	No Credit Available Elsewhere	Credit Available Elsewhere
Home Loans	2.375%	4.750%
Business Loans	4.000%	8.000%
Non-Profit Organizations	2.375%	2.375%

Economic Injury Loans

Loan Types	No Credit Available Elsewhere	Credit Available Elsewhere
Businesses & Small Agricultural Cooperatives	4.000%	N/A
Non-Profit Organizations	2.375%	N/A

What are Loan Terms?

The law authorizes loan terms up to a maximum of 30 years. However, the law restricts businesses with credit available elsewhere to a maximum 7-year term. SBA sets the installment payment amount and corresponding maturity based upon each borrower's ability to repay.

What are the Loan Amount Limits?

- **Business Loans** – The law limits business loans to \$2,000,000 for the repair or replacement of real estate, inventories, machinery, equipment and all other physical losses. Subject to this maximum, loan amounts cannot exceed the verified uninsured disaster loss.
- **Economic Injury Disaster Loans (EIDL)** – The law limits EIDLs to \$2,000,000 for alleviating economic injury caused by the disaster. The actual amount of each loan is limited to the economic injury determined by SBA, less business interruption insurance and other recoveries up to the administrative lending limit. EIDL assistance is available only to entities and their owners who cannot provide for their own recovery from non-government sources, as determined by the U.S. Small Business Administration.
- **Business Loan Ceiling** – The \$2,000,000 statutory limit for business loans applies to the combination of physical, economic injury, mitigation and refinancing, and applies to all disaster loans to a business and its affiliates for each disaster. If a business is a major source of employment, SBA has the authority to waive the \$2,000,000 statutory limit.
- **Home Loans** – SBA regulations limit home loans to \$200,000 for the repair or replacement of real estate and \$40,000 to repair or replace personal property. Subject to these maximums, loan amounts cannot exceed the verified uninsured disaster loss.

What Restrictions are there on Loan Eligibility?

- **Uninsured Losses** – Only uninsured or otherwise uncompensated disaster losses are eligible. Any insurance proceeds which are required to be applied against outstanding mortgages are not available to fund disaster repairs and do not reduce loan eligibility. However, any insurance proceeds voluntarily applied to any outstanding mortgages do reduce loan eligibility.
- **Ineligible Property** – Secondary homes, personal pleasure boats, airplanes, recreational vehicles and similar property are not eligible, unless used for business purposes. Property such as antiques and collections are eligible only to the extent of their functional value. Amounts for landscaping, swimming pools, etc., are limited.
- **Noncompliance** – Applicants who have not complied with the terms of previous SBA loans may not be eligible. This includes borrowers who did not maintain flood and/or hazard insurance on previous SBA loans.

Note: Loan applicants should check with agencies / organizations administering any grant or other assistance program under this declaration to determine how an approval of SBA disaster loan might affect their eligibility.

Is There Help with Funding Mitigation Improvements?

If your loan application is approved, you may be eligible for additional funds to cover the cost of improvements that will protect your property against future damage. Examples of improvements include retaining walls, seawalls, sump pumps, etc. Mitigation loan money would be in addition to the amount of the approved loan, but may not exceed 20 percent of total amount of physical damage to real property, including leasehold improvements, and personal property as verified by SBA to a maximum of \$200,000 for home loans. It is not necessary for the description of improvements and cost estimates to be submitted with the application. SBA approval of the mitigating measures will be required before any loan increase.

Is There Help Available for Refinancing?

- SBA can refinance all or part of prior mortgages that are evidenced by a recorded lien, when the applicant (1) does not have credit available elsewhere, (2) has suffered substantial uncompensated disaster damage (40 percent or more of the value of the property or 50% or more of the value of the structure), and (3) intends to repair the damage.
- Businesses – Business owners may be eligible for the refinancing of existing mortgages or liens on real estate, machinery and equipment, up to the amount of the loan for the repair or replacement of real estate, machinery, and equipment.
- Homes – Homeowners may be eligible for the refinancing of existing liens or mortgages on homes, up to the amount of the loan for real estate repair or replacement.

What if I Decide to Relocate?

You may use your SBA disaster loan to relocate. The amount of the relocation loan depends on whether you relocate voluntarily or involuntarily. If you are interested in relocation, an SBA representative can provide you with more details on your specific situation.

Are There Insurance Requirements for Loans?

To protect each borrower and the Agency, SBA may require you to obtain and maintain appropriate insurance. By law, borrowers whose damaged or collateral property is located in a special flood hazard area must purchase and maintain flood insurance. SBA requires that flood insurance coverage be the lesser of 1) the total of the disaster loan, 2) the insurable value of the property, or 3) the maximum insurance available.

Applicants may apply online, receive additional disaster assistance information and download applications at <https://disasterloanassistance.sba.gov/ela>. Applicants may also call SBA's Customer Service Center at (800) 659-2955 or email disastercustomerservice@sba.gov for more information on SBA disaster assistance.
